

JOHN T. UNGER FIRE BOWL WARRANTY AND RETURN POLICY

We offer a **Dynasty Guarantee** on all Sculptural Fire Bowl models available meaning they will last many lifetimes.

We follow the same return policy as Amazon's A-to-z Guarantee. All artwork sold from the website is eligible for return and replacement if it arrives damaged or broken or is materially different than represented as described on our web site. Sculptural Fire Bowls may arrive with some marks or scratches due to the fact that they are made from recycled materials. These scratches are considered to add history and character rather than being a defect eligible for return.
